history

Owner Darren Lince purchased what was known as The Gordon Arms Hotel in 2007. After undergoing a comprehensive refurbishment, The Advocate Arms Hotel was opened on 1st December 2008.

restaurant

We are proud to serve the finest produce at the best possible prices; our value is unrivalled in this area.

During the day we serve everything from sandwiches to hearty main meals in a relaxed setting. In the evening we transform into a fine dining restaurant, boasting a fresh seasonal menu with 'Lincolnshire size' portions.

Afternoon tea is also available with advanced booking.

We received our first Rosette in 2012 and have worked tirelessly since then to retain this and build on it, our hard work paid off in 2016 when our 2nd Rosette was awarded and we have maintained this ever since.
